

Milt Glick Grand Ballrooms

The Milt Glick Ballrooms are a 10,000 square foot facility that can be used as one large space or three smaller ballrooms. Each ballroom is equipped with a full surround sound system. Ballrooms A and C have dedicated smart technology carts, projection screens, and ceiling mounted projectors. Each ballroom can accommodate a variety of setups, including but not limited to conferences, information/career fairs, banquets, and receptions. The Milt Glick Ballrooms have hosted events ranging from electronic music concerts to notable lectures.
